Changes from the 2017 race parameters are found in red text.

## General race parameters

- UCI BMX Supercross World Cup events are open to all Junior and Elite riders who are licensed by a National Federation. They will participate in a combined Junior and Elite category.
- In 2018, there will be eight UCI BMX Supercross World Cup stages, two each held on four separate weekends. A yearly overall UCI BMX Supercross World Cup ranking will be defined, consisting of the riders in the combined Junior and Elite category for each gender (note: there is no split result and no split prize money for Junior and Elite).

## Registration of participants

- Riders eligible to compete in a UCI BMX Supercross World Cup competition may register only under the auspices and through the agency of the National Federation for the country in which they hold nationality for the purposes of cycling (not necessarily that which issues their license), or by the UCI BMX Team of which they are a member. All competition entry dates must be adhered to. All races fees must be paid prior to competition; this is normally done during riders' confirmation. National Federations and a UCI BMX Teams are asked to use the UCI online registration system.

- To register riders, please use your federation or UCI BMX Team's login name and password (the same is used for all cycling disciplines or as communicated separately). The UCI registration system can be accessed here:

<http://regonline.uci.ch>

- The entry fees, due to the organizer of a UCI BMX Supercross World Cup event, are as follows:

**EUR 250.00** per entered rider per category; normally paid during riders' confirmation.

Please note that the entry fees cover entry in 2 complete world cup stages held in the same weekend. Both stages held at each event must be entered.

**EUR 500.00** Late registration

- Possible until the riders' confirmation is finished (deadline as mentioned in the event schedule at the time of the Team Managers' Meeting)
- Done through the National Federation or UCI BMX Team
- Payment must be made immediately via any of the payment methods accepted by the organization:

Clarification: The organizer may accept payment in euros or any other currency that they wish.

However, the currencies accepted (as well as the conversion from euros according to the UCI exchange rate for 2018, if it has been set) must be published in the competition guide for the event. If no UCI exchange rate has been established for that particular currency, then the exchange rate on the day of registration established via <http://www.x-rates.com/> shall be used).

Likewise, the organizer may decide the payment methods that they will accept. However, this information must also be published in the competition guide.

- All team managers must attend the riders' confirmation to present their riders' licenses and to pick up their race numbers. The riders confirmation deadlines are indicated in the competition guide published on the UCI website (or latest schedule published at the time of the Team Managers' Meeting). Riders not being confirmed before the indicated deadline did not complete the registration procedure and will not be able to compete at the event.
- Teams are able to withdraw riders already registered for an event using the UCI registration system while the system is still open (that is, until the on-line registration deadline for the event). In such case, the entry fee does not have to be paid.
- Once the on-line registration deadline for an event has passed and the on-line registration system is closed, the team is liable to pay the registration fee for all riders registered in the on-line registration system. Such registration represents an obligation to the event organiser.

**Derogation concerning the back-to-back events in Papendal and Heusden-Zolder: Any rider pulled from the event in Papendal by the Official Event Doctor (also known as the Chief**

Medical Officer) due to an injury suffered during that event may withdraw from the event at Heusden-Zolder the next weekend without being liable for the entry fee. However, the UCI must be notified in writing (e-mail: [kevin.maccuish@uci.ch](mailto:kevin.maccuish@uci.ch)) no later than 12:00 noon CET on Monday 7<sup>th</sup> May. Otherwise, the UCI will assume that such riders maintain their entry in the world cup at Heusden-Zolder, thus remaining liable to pay the entry fee.

## **Relevant Extracts from the UCI Regulations**

### **General Event Parameters**

- 6.3.003** UCI BMX Supercross World Cup events are open to all eligible riders in possession of a UCI license as per article 6.3.006.
- 6.3.004** A number of UCI BMX Supercross World Cup events, shall be scheduled in each calendar year to establish a yearly overall ranking of the riders in a combined elite and junior level recognized by the UCI.

### **Registration of Participants**

- 6.3.005** All riders must be registered using the UCI online registration system ([www.uci.ch](http://www.uci.ch)) through their national federation or through the UCI BMX Team of which they are a member. The opening/closing dates of the online registration system are published on the UCI website. All team managers must attend the riders' confirmation presenting their licenses and picking up their identification numbers. The riders confirmation deadlines are indicated on the official programme published on the UCI website. Riders not being confirmed before the indicated deadline, did not complete the registration procedure and will not be able to compete at the event.

Entry fees are due for each entered rider per category as defined in the UCI Financial Obligations.

Late entries are entries handled after the online registration deadline and before the riders' confirmation deadline, as defined in the event schedule. All late entries must be confirmed by the national federation for the country of the rider's nationality, or by the UCI BMX Team of which they are a member.

The entry fee for late registration is defined in the UCI Financial Obligations and should be paid immediately on site. Once the riders' confirmation deadline has passed, no further entries will be accepted.

Once registered, the entry fees for each rider must be paid to the organiser whether the rider is ultimately confirmed or not. No refunds shall be given.

*Note: A derogation to the last paragraph of this regulation is given for the specific case of the back-to-back events in Papendal and Heusden Zolder as mentioned above. This regulation shall continue to apply in full to all other cases.*

### **Event Format**

**6.3.006** Competition categories at a UCI BMX Supercross World Cup event shall be as described in article 6.1.008 where a combined class is made by

*The Team Managers' meeting and / or riders' confirmation may also be scheduled on the afternoon or evening before Day 1.*

Save for an Act of God which would prevent it, two complete UCI BMX World Cup Stages will be run within the same weekend, each on a separate day. For whatever reason, in case either of the Stages can't be run, that Stage shall not be rescheduled. In case the entire event is cancelled, the UCI and the organiser acting jointly shall decide in due time whether or not the event will be rescheduled at some later date.

*(text modified on 01.01.18).*

**6.3.008** Riders are automatically entered in both Stages of each UCI BMX Supercross World Cup event. Following riders confirmation, all confirmed riders are obliged to start in both Stages of the event, unless they are excused from doing so by the Official Event Doctor.

For this reason, the start lists for the first Stage of the event will not be drawn up until **after** the conclusion of the first practice session.

Should a rider fail to start in Round 1 of the Stage 1 of the event for any reason **other than with the written permission of the Official Event Doctor**, he is automatically removed from the start list for Stage 2.

*In case a rider is required to return for an examination by the Official Event Doctor before being confirmed as a starter in either Stage 1 or Stage 2 of the event, the rider in question must attend this examination. Any such riders not returning for such an examination by the cut-off time defined in the Team Manager's Meeting shall not be included in the start lists and will not be allowed to start in the remaining Stages of the event. The requirement to return for a medical examination shall be communicated clearly by the Official Event Doctor, who must notify the Secretary Commissaire of the identity of all such riders.*

*(text modified on 01.01.18).*

**6.3.009** For categories with 17 or more riders entered following riders' confirmation, each Stage of a UCI BMX Supercross World Cup event is run over the following Phases:

- a. Round 1
- b. Last Chance
- c. Qualifiers
- d. Final

Categories with 16 or less riders entered following riders' confirmation shall instead run 3 Motos as described in Chapter 1, Annex 1 and Annex 2 of these regulations and, if need be, a Final. Should this be the case, articles 6.3.010 to 6.3.016 shall not apply; these articles apply only to categories with 17 or more riders entered following riders' confirmation.

**6.3.010** The transfer system for UCI BMX Supercross World Cup events is described in Annex 1 bis. **Seeding method for all Phases of each UCI BMX Supercross World Cup Stage shall be done according to article 6.1.027bis. The seeding order used for Round 1 of each UCI BMX Supercross World Cup Stage is described below in article 6.3.011.**

Riders scored as "Did Not Finish" (DNF) or who are Relegated (REL) may be eligible to transfer to the next Phase or Round. In case one or more riders are scored as DNF or REL within a heat, and 3 or fewer riders finish the heat, transfer eligibility among the riders scored as DNF or REL shall be determined in accordance with article 6.1.035.

Any rider scored as "Did Not Start" (DNS) is not eligible to transfer to the next Phase or Round.

In case multiple riders do not start in a heat such that 4 or less riders are present on the starting gate, the heat shall still be run in order to establish the lap times for the subsequent Phase or Round; in this case, all riders who start in the heat shall transfer.

*(text modified on 01.01.18).*

## Round 1

**6.3.011** For both Stages of the event, all registered riders must start in the Round 1.

For both categories, Round 1 is divided into a number of heats, as described in Annex 1 bis. Within Round 1, the riders in each heat shall race once.

The top four (4) riders from each heat transfer to the next stage of the event.

The entered and confirmed riders are seeded into Round 1 in Stage 1 of the event as follows:

- a. First, all riders (whether Elite or Juniors) in order of the most recent UCI BMX Supercross World Cup Ranking. In case of the first event of the season, the final UCI BMX Supercross World Cup ranking of the previous season is used.
- b. Second, Elite riders who are not listed in the most recent UCI BMX Supercross World Cup Ranking are seeded using the most recent UCI BMX Individual Ranking.

- c. Third, Juniors riders who are not listed in the most recent UCI BMX Supercross World Cup Ranking are seeded using the most recent UCI BMX Individual Ranking.
- d. Finally, any riders not ranked as above are seeded at random below those already seeded.

In case of a tie in the World Cup Ranking, the tie is broken by the better UCI ranking (if the tie is between a Juniors rider and an Elite rider, the Elite rider shall be seeded higher). If a tie still exists, or if the tie exists between riders who ranked using the present UCI Individual Ranking, then the tie is resolved at random.

Stage 2 of the event is seeded in order of the final classification of Stage 1.

## Last Chance

**6.3.012** The Last Chance phase is a repechage which allows a “last chance” for riders not in the top four (4) in their heat in Round 1 to advance to the Qualifiers.

All riders not advancing directly to the Qualifiers from Round 1 shall participate in the Last Chance phase.

The Last Chance phase comprises a number of heats as described in Annex 1 bis. The heats in the Last Chance phase are seeded according to the method found in [article 6.1.027bis](#), in order of their lap times in Round 1.

Within the Last Chance phase, the riders in each heat shall race only once. The top **two (2)** riders from each heat in the Last Chance phase shall advance to the Qualifiers.

*(text modified on [01.01.18](#)).*

## The Qualifiers

**6.3.013** For both categories, the Qualifiers are held over a number of Rounds, each distinguished by their degree of removal from the Final (1/32 final, 1/16 final, 1/8 final, 1/4 final, 1/2 final).

Each Round of the Qualifiers is composed of a number of heats of at most eight (8) riders. Within each Round, the riders in each heat shall race once.

The top four (4) riders from each heat in a Round of the Qualifiers shall transfer to the next Round of the Qualifiers. When the 1/2 final Round of the Qualifiers is reached, the top four (4) riders from each heat shall transfer to the Final.

The heats in each Round of the Qualifiers are seeded according to the method found in [article 6.1.027bis](#); the seeding order used is as follows:

- a. The first Round of the Qualifiers is made up of riders advancing from Round 1 combined with those advancing from the Last Chance phase. These riders are seeded into the first Round of the Qualifiers in order of lap time from their last round of racing (Round 1 for those advancing directly from Round 1, and the lap

time from the Last Chance phase for those advancing from the Last Chance phase).  
However, all riders transferring directly from Round 1 are seeded above those transferring from the Last Chance Phase, even if some of the times from the Last Chance Phase are faster.

- b. Otherwise, the riders are seeded into the heats in all other Rounds of the Qualifiers in order of their lap times from the previous Round of the Qualifiers.

*(text modified on 01.01.18).*

## The Final

**6.3.014** For both categories, the Final is held over a single Round. Each final is composed of a single heat of maximum eight (8) riders. The riders in each Final shall race once.

## Gate Starting Positions

**6.3.015** Gate starting positions within UCI BMX Supercross World Cup events are decided as follows:

- a. Round 1: With each heat, gate positions are chosen in the order in which the riders are seeded.
- b. Last Chance: Within each heat, gates positions are chosen in order of the riders' lap time from Round 1 (fastest to slowest)
- c. Qualifiers and Finals: In order of lap time (fastest to slowest) from the preceding Phase or Round.
  - For the first Round of the Qualifiers, the **seeding order of the first Round of the Qualifiers is used.**
  - Ties are broken by lap time from the Phase or Round before, until the tie is broken (up to and including Seeding order in Round 1)

*(text modified on 01.01.18).*

## Final Classification

**6.3.016** For both categories in each Stage of a UCI BMX Supercross World Cup event, a Final Classification shall be drawn up in accordance with article 6.1.041. When preparing the Final Classification, those riders who participated in the Last Chance phase, but who did not advance to the Qualifiers shall have their position in the Final Classification determined using their results from the Last Chance phase, and not their Results from Round 1 (in other words, the Round 1 results for all such riders shall be ignored). **However, such Riders shall be ranked below those who transferred directly to the Qualifiers from Round 1.**

It is the Final Classification which shall be used to award the prizes and points in the UCI Individual BMX Ranking and UCI BMX Supercross World Cup Ranking.

*(text modified on 01.01.18).*

## Recognition and Awards

**6.3.017** Riders will receive, at minimum, prize money for each Stage of the UCI BMX Supercross World Cup according to the UCI financial obligations for the UCI BMX Supercross World Cup events and for the overall standings. This prize money shall be paid by the organiser of each such event.

Within the context of each individual event UCI BMX Supercross World Cup event, should a rider in either category win both Stages of such an event, that rider will receive a bonus that is paid by the UCI. The amount of this bonus is defined in the UCI Financial Obligations.

Each season, the UCI shall give the first-place overall finisher in each category the title of “UCI BMX Supercross World Cup Winner”. This winner shall be the highest ranked rider in the UCI BMX Supercross World Cup Ranking following the last UCI BMX Supercross World Cup Stage in that season.

This title shall remain the property of the UCI and may not be used in conjunction with any product endorsement or for any other commercial purpose without its prior express consent.

After the final Stage of the UCI BMX Supercross World Cup, the UCI will award special world cup trophies to the top three riders in the UCI BMX Supercross World Cup ranking for each category.

Additionally, the highest ranked Juniors Male and the highest ranked Juniors Female within the UCI BMX Supercross World Cup Ranking following each event shall be recognized.

The overall prize money for the UCI BMX Supercross World Cup found in the UCI Financial Obligations shall also be awarded in order of the final UCI BMX Supercross World Cup Ranking of the season.

**6.3.018** For the two categories held during UCI BMX Supercross World Cup events, a UCI BMX Supercross World Cup Ranking shall be maintained within each season. This ranking shall be comprised of the accumulation of all UCI ranking points earned by each rider during UCI BMX Supercross World Cup Stages within the current season, ranked in order of the highest number of points to the lowest.

In case of a tie in the UCI BMX Supercross World Cup Ranking, the better result in the final Stage of the series shall resolve the tie. Should a tie remain, the better ranking in the second last Stage in the series for that season shall decide the tie, and so on, until the first Stage in the season is reached.

### **Race Numbers and Equipment**

- Race numbers will be given randomly, except for riders holding a UCI International Elite Number or those using World number 1-8 as listed on the UCI website.
- Art. 6.1.097: Each rider that has received a UCI International Elite Number, and also the riders that choose to ride with a world number 1 - 8, may choose to print their number on the jersey according to the following principles. **Doing so is not mandatory.**

- Clarification: No riders other than those mentioned above are allowed to print a number on the back of their jersey (that is, Juniors or riders without a UCI International Elite Number).
- Clarification: As UCI BMX Supercross World Cup events are considered to be Elite events, Junior national or world champions may not wear their champion jersey.

## UCI Ranking Points

- Each UCI BMX Supercross World Cup is classified as a CDM event and will count for individual points in the UCI BMX Ranking, and is also considered in the Nations ranking functioning as the 2018 UCI BMX World Championships Qualification criteria as described articles 6.6.001 – 6.6.010, concerning the UCI BMX Ranking. As mentioned earlier, the results are not split between Elite and Junior riders for the purpose of awarding points or prizes.
- The same points scale is used to calculate the 2018 UCI BMX Supercross World Cup overall ranking following each world cup stage.

\* Points are not awarded for these rankings if these qualifiers are not held. For example, in a category with 16 entries, semi-finals would not be held; however, it is still technically possible to rank the riders from 1st – 16th. In such a case, points would only be given for the Final (1st – 8th place) as no semi-finals were held.
