A group of BMX Supercross riders in full racing gear, including helmets and jerseys with various sponsor logos like 'Red Bull' and 'MEYER', are riding their bikes on a dirt track. They are positioned in a line, leaning forward, suggesting they are in the middle of a race or a technical section of the course. The background shows a line of green trees under a cloudy sky. Welcome & Introduction.

**BMX SUPERCROSS
WORLD CUP**

**PAPENDAL
THE NETHERLANDS**

As High Performance Centre Papendal, the City of Arnhem and Province of Gelderland we are proud to invite media representatives to cover the 2018 UCI BMX Supercross World Cup at Papendal, Arnhem.

Like in 2017 the UCI BMX Supercross Papendal presents two World Cup rounds, the first on Saturday the 5th of May and the second on Sunday the 6th of May 2018.

From Friday the 4th till Sunday the 6th of May 2018 we are organising a long weekend with three different events. Besides the elite sports BMX Supercross World Cup event, Papendal is the starting and finishing point for the Holland Classic, an event for recreational cyclists and mountain bikers. Last but not least there is our cultural event called Framed Festival. Music and foodtrucks: the recipe for pleasant chilling evenings with smoking BBQ, American burgers and music all around.

Papendal is surrounded by one of the most beautiful areas of nature in The Netherlands, so we are sure you will enjoy your stay. If you don't find all the necessary information in this media guide, don't hesitate to contact our Media Officer for any further information: angelique.vandongen@papendal.nl / 06 10537846.

We hope you will enjoy the event and your stay at Papendal!

Jochem Schellens, Director of High Performance Centre Papendal & Hotel and Conference Centre Papendal

Accreditation & Briefing

Media accreditation

Do you want to record every single moment of the BMX races? Take the best action photos? If you meet our conditions, then request a press accreditation before 29 April using the accreditation form <http://bmxpapendal.com/contact/press/>.

Once your accreditation request is confirmed, we will add you to the press list. In the week of the event you will receive an e-mail with practical information. Press accreditations will be distributed at the 'Welcome House', follow the signs on site. Here you also receive your card for VIP / press parking. For television crews we offer backstage parking / unloading. With your accreditation you can enter the Festival Site. We are looking forward to meet you at the Media Centre near the track.

Bibs for photographers

A small selection of fully accredited press photographers, wearing a red bib, shall be allowed to enter the infield of the track, the finish area and the protocol area during practice and competition. Other photographers receive a yellow bib. With a yellow bib you have track and finish line access during practice and warm-up sessions. During competition the yellow bib provides no access to the infield of the track. The selection will be made by the organisation which is not to be discussed. It is advised to bring the long lense either way.

Filming

For the avoidance of doubt, written press/photographers are not allowed to film any images of the competition. The rights for continuous filming of the event are restricted to the authorized parties for broadcast (including online) and may only take place by written permission of UCI.

Photographers briefings

Photographers will need to attend the briefing in order to receive a mark that allows them to pick up a bib in the media centre for access to the infield. Each day, from Friday the 4th of May till Sunday the 6th of May there will be a photographers briefing. Meeting point each day is the back of the starting hill. The briefing will be held 30 minutes before any track activity starts. If attended once, no need to attend another time.

PAPENDAL
THE NETHERLANDS

Arnhem is situated in the province of Gelderland, famous for its wonderful forests and cultural habitats. For style and culture, visit Arnhem and the province. Here you find the famous Kröller-Müller Museum with its extensive sculpture garden. The Netherlands Open Air Museum, the famous Ouwehands Zoo and Burgers' Zoo are also close at hand. And of course the Airborne Museum. Discover the wonderful forests of the National Park "De Hoge Veluwe". This park is the largest continuous national park in the Netherlands. The area consists of 5,400 hectares of forest, heathland, marshland and drift-sand. There is a great diversity of plant and animal species and the Park is home to very rare species of thrush. Together with the Jachthuis Sint Hubertus, the Visitor Centre/Museonder, the Kröller-Müller Museum and the statues garden, the Park forms a unique and (inter)nationally famous combination of nature, art and architecture.

Arnhem is a bustling town where you will never get bored. Whatever your interests - shopping, going out, culture, or the countryside - might be. The historic town centre of Arnhem is definitely worth a visit. Restored to their former glory and joined underneath one of the shopping streets, the 40 medieval cellars show you what underground Arnhem used to look like. The history of the town is reflected in the town centre itself as well as in 100-year-old Sonsbeek park, where you can take a rest in the heart of the town! The Church of Eusebius dominates the skyline. This late Gothic ogive basilica boasts a unique glass lift, rising to 73 meters and offering you a view of the centre. On your way up you will also see the biggest carillon in Europe! Arnhem has been one of the most attractive shopping areas in the Netherlands for years, boasting a range of large chain stores and little clothes shops. Arnhem has turned into an attractive town for those with a passion for fashion. Your day, evening or weekend in Arnhem should not end until you have been to Korenmarkt, the bustling entertainment centre.
