1. INTRODUCTION

The Team BMX Club of Sarrians and the city of Sarrians are very honored to welcome you to the International BMX Track Center for the second year in a row, after the 2018 UEC European Championship.

2. TRACK DETAILS

The beautiful International BMX Track Center has been built last year by MyTracks, based on its experience of having helped to build tracks in Baku, Zolder, Saint Quentin en Yvelines... This track is both technical and physical with its pro section in the second straight and a 5 meters start hill for all classes. It also has between 3 and 4 meters high asphalt corners.

3. THE CITY OF SARRIANS

Sarrians is a typically Provençal town in the department of Vaucluse in the south of France (Provence-Alpes-Côte d'Azur), at the foot of the Mont Ventoux, well known from cycling lovers of the Tour de France. There are around 6000 inhabitants, called sarriannais.

It's a sunny and nice place for tourism, between Avignon, Orange and Carpentras. This area is renowned for its wine cellars, provençal markets, olive oil, lavender, cicadas... More generally, the region is known for the Mont Ventoux, the Dentelles de Montmirail, the Baux de Provence, wines of Vaqueyras or Chateauneuf-du-pape.

 - All riders receive a number plate and side plate from UEC at registration of the UEC BMX European Cup Race. In all UEC sanctioned BMX events a rider must display the number plate and side plate assigned to him. A rider who fails to display the correct number plates will be refused their start, or relegated, if it is noticed after beginning a heat or run.
 - all Championship and Challenge riders must either wear a clearly visible national flag of their country on both shoulders or the national jersey of their country.
 - if a Championship rider is National Champion in their class, this rider must wear either:
 - the jersey awarded by the federation,
 - a replica of that jersey with publicity in the spaces allowed by the regulations,
 - their normal jersey with the left sleeve designed to look like the flag of their country
- Number of motos: in case of special conditions (weather, wind or else) or a high number of participants, the UEC BMX Commission allows the PCP in agreement with the UEC Technical delegate to reduce the number of motos. This can only apply for challenge classes and never for championship classes.

Before each event a national federation must register their Chef d'Equipe and assistants in the UEC online registration system, the registration will be checked at the event.

Such accreditation may be revoked for any breach of the UCI Regulations or noncompliance with the instructions of the organisation or the Commissaires' panel.
